SEXUAL ASSAULT PREVENTION AND RESPONSE SERVICES

Serving Androscoggin, Oxford and Franklin Counties and the communities of Harrison and Bridgton

We listen. We believe. We care.

Annual Report 2015

Sexual Assault Prevention and Response Services works to prevent and eliminate sexual violence and promote healing and empowerment for people of all genders and ages who are affected by rape, sexual assault, child sexual abuse, sexual exploitation, stalking and sexual harassment.

Services 2015

Sexual Assault Prevention and Response Services provides a wide range of services for survivors and their loved ones:

* 24 hour helpline response
* Accompaniment to the hospital, law enforcement agencies and/or courts for trial or to obtain protection from abuse orders
* Support groups
* Drop in advocacy programs at local middle and high schools, local elder housing units
* One to one advocacy meetings
* Advocacy and support at area colleges
* Outreach to and services for underserved populations

# of people receiving services:	
Survivors	336
Significant others	168
# of client contacts	1560
Assaults reported as occurring in 2015	156
Assaults reported as occurring prior to 2015	179

Education 2015

Sexual Assault Prevention and Response Services provides prevention education throughout Androscoggin, Oxford and Franklin Counties, including:

* Pre-K through college School-based awareness and prevention programs
* Education to community based groups
* Training for professionals
* Sexual harassment training for businesses and Organizations

740 presentations to 8166 students Pre-k to 12th grade

62 presentations to 1607 people in post-secondary Education

173 community education presentations to 941 people

58 trainings provided to 254 professionals

The Children's Advocacy Center, a program of Sexual Assault Prevention and Response Services, provides a collaborative, multi-disciplinary interview of children who have disclosed sexual or serious physical abuse. It also provides support services to their families. In 2015, these services were available in Androscoggin and Franklin Counties, and will be available in Oxford County in 2016.

215 interviews of children who have disclosed abuse

Family advocacy services provided to 120 non-offending caregivers
